Roman Catholic Schools of the Archdiocese of New York base their educational purposes and all their activities on the Christian teaching that all people are children of a loving God, who calls each to a supernatural destiny. Saint Barnabas High School shall not discriminate on the basis of race, color, or national and ethnic origin in the Administration of its educational policies.

PHILOSOPHY AND OBJECTIVES
Saint Barnabas High School is an all-girls college preparatory Catholic high school. Saint Barnabas High School seeks to engender in its students the spiritual, intellectual, moral and social values of the well-defined woman in society. Through the creation of an informed mind and healthy self-image, each student is encouraged to develop her critical thinking and individual abilities so that she may be of service to God, country, and society. Saint Barnabas High School recognizes its basic responsibility to educate the total person and attempts to fulfill its primary obligation by providing for the needs of the student body in a variety of ways.

HISTORY OF SAINT BARNABAS HIGH SCHOOL
John Cardinal Farley, Archbishop of New York, established Saint Barnabas Parish in June, 1910. The elementary school was opened to 104 students by the first pastor, Monsignor Michael A. Reilly, in 1913. With the expansion of the school to nine grades in September, 1924, the history of Saint Barnabas High School began.

The fourteen boys and fifteen girls who comprised the first high school class attended class on the top floor of the elementary school. In four years, the high school roster totaled 113 students. In June 1928 Saint Barnabas became an all-girls high school accredited by the University of the State of New York.

As the student population of the elementary school and high school increased, the need for more facilities became obvious. Monsignor George H. McWeeney broke ground for a new high school building on September 25, 1957. The new building was opened to the students in April, 1959. On May 15, 1960, Francis Cardinal Spellman formally blessed the school as part of the fiftieth anniversary celebrations of the parish.

In the spring of 2015, the Archdiocese of New York announced a change in governance for Saint Barnabas High School from a parish-based high school to an independent high school managed by a Board of Trustees.

From the beginning, the school has been served by the Sisters of Charity of Mt. St. Vincent, New York. Today, the Sisters of Charity, religious from other congregations and lay faculty provide for the educational needs of students who come from many parishes in the Bronx, Manhattan, and Westchester. Together, the faculty and students continue the educational and Christian traditions begun in 1924.
MISSION STATEMENT
Saint Barnabas High School provides quality Catholic education for young women. The Saint Barnabas family works in the spirit of charity to develop the whole person through enriching courses and activities, effective communication, mutual respect and openness to new ideas.

For more information, please contact the Admissions Office at 718-325-8800, ext. 20.

ACCEPTANCE, ATTENDANCE and BEHAVIOR
Once students have met the necessary admission requirements and have been accepted to Saint Barnabas High School, the school warmly welcomes the students for the coming school year and will strive to provide them with a solid, Catholic, spiritual and academic education in a supportive learning environment. Students and parents must always be mindful that attendance at Saint Barnabas is by invitation and is not a right, but a privilege because this is a private school.

Admission to and continued enrollment in this school include responsibilities regarding conduct, both inside and outside the classroom and school. Students are expected to conduct themselves in a manner as to credit themselves and their school. In order to protect its standards of scholarship, discipline and character, Saint Barnabas High School reserves the right (and the students and parents or guardians concede to the school) to require the withdrawal of any student at any time, for any reason deemed sufficient to the sole discretion of the school and its administrators.

By the student's attendance at the school, a student and her parent or guardian acknowledges the important obligations and restrictions contained in the handbook and agree to be bound by its terms.

STUDENT EXPECTATIONS
1. Be on time, in full uniform and be prepared to work when the bell rings.
2. Abide by all the rules set forth in the student handbook.
3. Complete all homework assignments by their due dates.
4. Work diligently, honestly and consistently, following the curriculum of the school, teacher and New York State.
5. Honest and honorable behavior is expected at all times.
6. Respect all members of the high school community at all times.
7. Any questions on academics are to be addressed with the Academic Dean.
8. The Principal has final authority on all academic and behavioral matters.

Our students represent Saint Barnabas High School at all times. The school's Code of Conduct and the rules and regulations outlined in this handbook apply to any student who is: on school property; in attendance at school; at any school sponsored activity; or whose conduct at any other time or place has an effect on maintaining school order and discipline. Any incident that may damage the reputation of the school or jeopardizes the health safety of another person is unacceptable, whether it occurs in school, out of school or on the internet. All incidents are subject to disciplinary action and the school administrative team will make the final determination regarding all issues of student behavior.

All students are expected to exhibit courtesy, respect and good manners. Students are expected to treat each other and all staff members with respect and courtesy rooted in our gospel values. It is customary in that spirit of respect to use appropriate titles (Fr., Mr., Miss, Mrs., Sr.) when addressing members of the faculty and staff. It is expected that students will greet adults properly in the hallways or other areas of the school.

It is customary to knock before entering an office or classroom if the door is closed. Students should wait for an answer before entering. Students should never enter an office or a teacher's space in a classroom without an adult present.

**ACADEMIC ACHIEVEMENT**
Diplomas are issued to graduates who fulfill the requirements for receiving a diploma. The program of studies includes required academic courses and electives. There is individualized learning, based on individual needs. While it is anticipated that the majority of students will pursue opportunities for higher education after graduation, the Guidance Department works with individual students in the college and career selection process.

**ACADEMIC EXAMINATION EXEMPTIONS**
Students in Grades 11 and 12 who have achieved a grade of 90% or more on their report card in all four quarters in a particular subject area may be exempt from taking the final examination in that subject area.

**ACADEMIC EXPULSION**
Should a student fail two or more subjects in June and does not attend summer school, she will be required to either leave the school, or repeat the grade, since she lacks sufficient credits to progress academically. If a course
is not given in an accredited summer school, an independent study course must be worked out with the School Administration. All course deadlines must be met and a fee will be charged. All decisions involving academic expulsion will involve a parent conference with the Guidance Counselor and School Administrators.

**ACADEMIC INTEGRITY**

Providing test answers, homework assignments, term papers, etc. to a classmate is cheating. While it is difficult to say no to a friend, both the person who gives and the person who receives information that fraudulently represents the work of another will be subject to disciplinary action. A record of each offense will be kept on file with the School Administration.

**Cheating:** Intentionally using or attempting to use unauthorized materials, information, electronic devices or study aids in any academic assessment, which includes all forms of work submitted for a grade or credit. A student who cheats in any form will receive a grade of zero, which cannot be made up by extra credit work.

**Duplicative work:** Submitting the same or substantially the same work product to an assignment. Students may not submit a paper or project to more than one course unless given permission by the teacher.

**Electronic/Internet Dishonesty:** Any use of a computer, internet or other technological means to falsely present work or any assignment, test or quiz as her own. Examples include, but are not limited to using network access in a way that affects a class or another student’s academic work, breaking into someone else’s files or computer account, or using information from any electronic source dishonestly. Note that presenting work falsely as one’s own is always academic dishonesty, regardless of the electronic means employed.

**Facilitating academic dishonesty:** Intentionally or knowingly helping or attempting to help another to violate any provision of academic integrity.

**Forgery or alteration:** Placing an unauthorized signature on any school related document, including, but not limited to communications between parent and school.

**Sourcing:** Students must follow the guidelines given by each department regarding giving credit to the source of the information.

**Theft or destruction of academic materials:** Removing or destroying examinations or similar materials or any work product before or after submission.

**Unauthorized Communication:** Any form of communication during an exam or knowingly informing another student of the content of an examination not officially released by the instructor.
Unauthorized possession or use of academic materials: Wrongfully obtaining, possessing, using or distributing to others, examinations or other materials that have not been officially released by the instructor.

CONSEQUENCES FOR CHEATING AND PLAGIARISM
Cheating is morally wrong and will not be tolerated at any time. Before an exam begins, each student must place all books, papers, notes, cell phones and other electronic devices away from the test area. If any unauthorized material is found in a student’s possession, she will be considered cheating. If any unauthorized material is found in the student’s possession or in her desk when an examination begins, she will be considered cheating on the examination.

A student who cheats during an examination will receive an automatic zero on the examination. The student’s parents will be informed of the incident by means of a phone call, and a meeting will be held within five days of the incident. The student will receive a letter of probation from the School Administration.

A student who, in the judgment of the teacher or proctor, is found cheating, or attempting to cheat, will have her paper confiscated. The teacher, student, administrator and parents will meet to discuss the incident. The final decision regarding the student’s continuance at St. Barnabas High School will be made by the School Administration after all the information has been appropriately reviewed.

First offense: A report is filed with the Dean of Students. The student receives a grade of zero, and a parent/guardian is notified by the teacher. The grade of zero may not be made up with extra credit work.

Second offense: A report is filed with the Dean of Students. The student receives a grade of zero, is suspended and a parent conference with the Dean of Academics is required.

Third offense: All of the above and a parent conference with the Principal are required.

ACADEMIC PROBATION
The School Administration carefully monitors the academic achievement of the students at Saint Barnabas. Students who fail two or more courses in a marking period will be placed on Academic Probation, and will be deemed ineligible by the School Administration to participate in any school-sponsored sport, club, activity or event.

Students should use their time wisely to address any academic deficits. A student will be placed on academic probation on the day of report card distribution. The academic probation period will last until the next report card distribution, unless the student continues to fail two or more subjects. In
that case, the student will remain on academic probation during the next quarter.

**ACADEMIC REQUIREMENTS**
The passing grade for all courses is a minimum of 65%. This is a cumulative mark, based on class work plus an end-term and/or midterm exam. In addition, all students must pass a Regents assessment exam in five areas: US History/Government, Global History and Geography, Science (Physical or Life), Algebra and English.

Semester marks are computed as 20% the first report card mark, 20% the second report card mark, and 10% the semester examination. The final average is computed as 1/5 the first report card mark, 1/5 the second report card mark, 1/10 the first semester examination mark, 1/5 the third report card mark, 1/5 the fourth report card mark, and 1/10 the second semester examination mark.

Parents should regularly inquire about their daughter’s assignments, including homework, reports, and projects. Parents should contact their daughter’s teachers if their daughter is not doing work at home.

**ADMINISTRATIVE RIGHT**
The Principal of Saint Barnabas High School has both the right and responsibility for final decisions in the area of discipline. The Principal reserves the right to dismiss any student whose behavior and/or actions are deemed inappropriate or potentially harmful by the School Administration. The right to modify stated penalties dependent on individual circumstances is also reserved to the School Administration.

**ATTENDANCE**
As an academic community, Saint Barnabas values consistent attendance and punctuality. We believe a student's attendance has a significant impact on her academic success. The school attendance policy, as mandated by the New York State Education Department, is to ensure that, to the maximum extent possible, every student attends school every day for the entire day.

It is the parent’s legal responsibility to notify the school of any absence. If the parent fails to notify the school of an absence, the student may be subjected to disciplinary action. When a student is ill, a parent/guardian must call the school office at (718) 325-8800 before 9:00 a.m. An answering machine will record calls before the office is open. A parental call, giving name, homeroom and reason for the absence is required along with a telephone number where the parent can be reached in order to verify the excuse for absence. During examination periods, student absence must be reported by 8:00 a.m. A doctor’s note specifying the illness is required or a grade of zero will be given.

The day the student returns to school, she must give the Dean of Students or her homeroom teacher a signed parental note including date(s) of absence,
and explaining the reason for her absence. If the student fails to submit an absence note to her homeroom teacher or the Dean of Students, the student will be issued a detention. A doctor’s note is required for all students absent five consecutive or more days.

New York State Education Law permits absence from school for the following reasons: illness; religious observances; sickness or death in the immediate family; court appearances and impossible travel conditions. All other reasons are considered illegal absences. The school administration makes the final determination as to whether an absence or tardiness is excused or unexcused which can affect the student’s ability to make up missed work.

A student absent from class, including suspension, is required to make up all assignments. It is the responsibility of the student to see her teachers to obtain the assignments.

Medical, dental, or legal appointments should be made outside school hours.

Any unauthorized absence from school shall be considered truancy. Although this is commonly thought of as an absence of which the parent is unaware, certain absences of which the parent is aware will be treated in the same manner of truancies. Those include unauthorized activities such as cut days.

**ABSENCES & MAKE-UP WORK**

It is the responsibility of the student to meet with all of her subject teachers to obtain her class work and adhere to department guidelines after an absence in order to continue her academic progress. If a student is absent for a subject test, and fails to take a mandatory make-up exam, she will receive a zero for that examination.

Excessive absence and/or lateness in any given year may lead to a loss of credit and/or denial of registration the following year.

**EXTENDED ABSENCE**

If a student needs to be absent for more than a week, her parents/guardians must contact the school regarding the reason for the absence. The teachers will be notified and arrangements will be made by the Guidance Counselors for the parents to pick up assignments. It is the student’s responsibility to complete the assignments and return them to the respective teachers by the dates indicated. Failure to meet the established deadlines will result in a grade of zero for the assignments.

Students may fail a course due to excessive absences which results in insufficient knowledge of the subject area.

**GUIDANCE-RELATED ABSENCE**

Juniors and seniors may receive permission to be absent from school to attend college fairs, college open houses and spring placement tests. To
obtain this permission, the student must submit a note from her parent/guardian to the Guidance Counselor at least **two days in advance**. Permission will be granted through the Guidance Office and the School Administration. Upon returning to school, the student must submit a note from the college verifying her attendance. Seniors may request this permission twice during the year. Juniors may request it once.

**NON-CONSECUTIVE ABSENCE**
If a pattern of non-consecutive absence appears, the School Administration will meet with the student and make an appointment with the student’s parent or guardian.

**ABSENCE/LATENESS DURING THE MIDTERM/FINAL EXAMINATION PERIOD**
If a student is absent during an examination period, she must bring a note from the doctor indicating the nature of her illness, and that it **REQUIRED HER TO STAY AT HOME**. When the student returns, she will be required to complete all examinations that were missed. If a student does not bring in a doctor’s note, she will receive a grade of zero. A student who arrives late will not have extra time to complete the exam.

**ABSENCE/LATENESS FOR REGENTS EXAMINATIONS**
A student who arrives late will not have extra time to complete the exam. Students may not enter a Regents examination room if they are more than one hour late. Regents classes will not have exemptions and Regents examinations cannot be retaken since Regents Exams are only administered on the date and time designated by the New York State Board of Regents. Students who are absent from a Regents examination must take the examination in summer school.

**BOOKS**
The student is financially liable for lost or damaged books. It is the student’s responsibility to care for textbooks. Failure to do so will result in disciplinary and financial action.

**CLASSROOM BEHAVIOR**
Students are expected to abide by class and course guidelines and Saint Barnabas High School Code of Behavior.

**COURSE GUIDELINES**
At the opening of school, each teacher of an academic course provides guidelines for class expectations and successful course completion specific to the content area. Parents and students will sign these Course Guidelines as a confirmation of understanding and compliance with the expectations and requirements outlined in the guidelines.

**CURRICULUM/GRADUATION REQUIREMENTS**

by the Board of Regents of the State of New York and Saint Barnabas High School.

Any student in violation of this policy is subject to disciplinary action, including suspension and/or possible expulsion. Parents are urged to closely monitor their daughter’s internet use in order to ensure her safety.

The School Administration has the right to request and review any social media brought to its attention by a student, parent, faculty member or a law enforcement agency.

These reports are given to students by subject teachers who believe some deficiency exists in the student’s grasp of the subject matter or some other problem, which may exist in the classroom. Additional progress reports may be distributed if the
teacher feels it is necessary. Parents/guardians are required to sign progress reports and students must return them to the respective teachers by the stipulated date or disciplinary action may be applied.

- Dress uniform (skirt or pants and school sweater) are required.

COMMUNICABLE DISEASES/HOSPITALIZATION
Students returning to school after a hospitalization or recovering from a communicable disease must be readmitted by the School Administration. Communicable diseases include German measles, measles, mumps, chicken pox, scarlet fever, conjunctivitis (pink eye) and mononucleosis. A copy of the medical release will be attached to the student’s health file.

COMMUNICATION – KEY TO SUCCESS
Respect is the basis for all interactions, and communication is valued. It is the policy of the school that the members of the faculty, staff and administration will only meet with the parents and legal guardians of a student. The members of the faculty all have school email addresses, which should be used to communicate with parents and students. Students, faculty and staff are asked to show respect for each other by using appropriate language and behavior. Obscene or abusive language will not be tolerated. Threatening language or behavior is harassment/bullying and will be grounds for disciplinary action and possible expulsion.

CONDUCT AT EVENTS
A Saint Barnabas student is expected to conduct herself appropriately at all times in and outside of school.

Students are expected to exhibit the proper behavior the school requires at all school events, including athletic competitions, home and at away games. This includes, but is not limited to, no fighting, no booing or heckling, no throwing or dropping of refuse and no loitering in the immediate area before or after a game.

Failure to abide by the rules will result in disciplinary action.

CONFLICT RESOLUTION
When conflicts, disagreements, etc. arise, students are encouraged to seek help from their teachers, Guidance Counselors, and School Administrators.

CUTTING CLASS/CLASS SUSPENSIONS
Students are expected to be in their classes at all times. If a student cuts a class, the student’s parents will be informed of the incident, a conference will be held with the School Administration, and a disciplinary referral will be issued. Students who cut class receive a zero on any test, project or work due on that day.

If a student is asked to leave a classroom because of inappropriate behavior or lack of class preparation, parents will be contacted by the teacher before the end of the school day. The teacher, student and Dean of Students will meet to discuss the incident and appropriate disciplinary action.
DETENTION
Detention takes place from 2:35 p.m. to 3:15 p.m. on days assigned by the School Administration. An intercom announcement will be made and a list posted of those students expected to serve detention. Students will be given an assignment to complete during this time and will be dismissed from detention by the Dean of Students.

A record of student detentions will be compiled by the School Administration and will become a part of the student’s permanent record. Students with excessive detentions will come to school on days off to serve detention. Students who have two or more hours of detention may not participate in after school sports or activities until they have zero hours of detention. Students must clear all detention hour by the end of each semester. Students may not carry detention hours from first to second semester. Final report cards will not be released if detention hours are not served by June.

DETENTION PROCEDURES
Reporting to Detention:
- When a teacher issues a student a detention notice: the White copy is the Parent/Guardian copy; the Yellow copy is the School Administration copy; the Pink copy is the Teacher copy.
- The student must submit the signed Parent/Guardian copy of the detention notice to the School Administrator/Dean of Students upon entering the detention room.

Attendance:
- Students will be required to serve detention on the day assigned or with special permission from the Dean of Students for a make-up date. If an emergency situation exists, the School Administration will make a determination when the detention will be served.
- Students will receive an additional two days of detention if they fail to serve detention. Should the situation continue, a conference with the School Administration will take place.

Rules of Detention:
- Students are expected to report on time to the detention room.
- No phones or electronic devices can be used.

DISCIPLINARY PROCEDURES
To guarantee a good social and educational climate, it is important that students understand that acceptable standards of behavior will be expected at all times. Disciplinary action will be taken when any individual’s actions interfere with the right of teachers to teach and students to learn. Students are reminded that any teacher or staff member in the school has the right to correct individuals for school violations at any place and at any time. The only real discipline is self-discipline.
Referral of a student to the School Administration is used as a last resort after teachers have exhausted all other appropriate preventive and corrective measures. If a student reaches the level of School Administration, the seriousness of the case will speak for itself. The case will be dealt with as rapidly, firmly and as fairly as possible. In many instances, parents/guardians will be contacted.

**DISCIPLINARY PROBATION**
Disciplinary probation will be issued at the discretion of the School Administration. Students who are placed on probation for excessive violations of school regulations will not be permitted to participate in any school-related activities until removal from probation.

**DISCIPLINARY REFERRALS**
Disciplinary Referrals are not used lightly. They are used to document continued unacceptable behavior. If a student is disruptive or follows a behavior pattern that is unacceptable, a Disciplinary Referral will be issued by the School Administration. Copies will be sent to the parent/guardian, given to the teacher and Guidance Counselor and filed in the office. This Disciplinary Referral may include detention, suspension, loss of privileges, probation or expulsion.

The course of action that will be followed by the School Administration:

- A meeting will be held with the student.
- A phone call will be made by the School Administration to the parent/guardian of the student.
- The School Administration will meet with the parents and student after the second Disciplinary Referral is issued.
- The student may be asked to leave the school at the end of the semester after the student has received the third disciplinary referral.

A student who is involved in truancy, harassment/bullying, physical fighting, smoking, drinking alcoholic beverages or using drugs will be suspended from classes and her parents will be required to come to school to meet with the School Administration. A letter recording the incident and signed by the parents and the student, will be kept on file and the disciplinary action will be decided at this time. All of these offenses are also grounds for expulsion, at the discretion of the Principal.

**DISMISSAL PROCEDURE**
Due to certain situations, a student occasionally may have to leave school before dismissal. We request that the parent/guardian try to make medical, dental and business appointments for hours after the school day or for weekends. When the need arises, the procedure is as follows:
A note from the parent/guardian must be brought to the school secretary in the main office before homeroom, the day the student is to leave early. This note should include the reason for leaving, the time and date of dismissal and the telephone number where the parent/guardian can be reached for verification.

The student will be issued a Permit to Leave School Form to be approved by all her subject teachers and return it to the School Secretary. The student will see her teacher(s) and obtain the assignments for the classes she will miss and/or take the scheduled exam.

Before leaving the school building, the student must sign out in the daily office book. Proof of an appointment will be required upon return to school for an excused absence.

In every instance of leaving early, the student is responsible for completing any exam, missed class assignment or homework. If the reason for leaving early is approved, the teacher will allow a reasonable period of time to complete the work. No student may leave the school without the permission of the School Administration. All students must exit from the main office. Any student who does leave without permission will receive a disciplinary referral and her parents will be notified.

**DRESS CODE**

All students must be in compliance with the proper dress code at all times. Students must be in complete uniform before leaving the cafeteria in the morning. When entering homeroom in the morning, students must already be in full uniform. They may not change in homeroom. For complete and proper Saint Barnabas dress code, see the section on Uniforms.

Students may be sent home if the School Administration deems that they are in violation of the school's dress code.

**DRUGS/ALCOHOL**

A student who is involved in drinking alcoholic beverages or using drugs will be suspended from classes and her parents/guardians will be required to come to school to meet with the School Administration. **ELECTRONIC DEVICES**

The use of electronic devices, including, but not limited to, iPods/iPads/iWatches and digital cameras or recorders, laser pointers, radios, and boom boxes is prohibited during school hours, with the exception of those occasions where teachers instruct students to utilize electronic devices for instructional purposes. If an electronic device is seen or heard during school hours it will be confiscated. After the first offense, the item will only be released to a parent/guardian. Under no circumstances will a confiscated device be released to a sibling, other relative, etc. Before or after school hours and during lunch, electronic devices may be used only in the cafeteria. Electronic devices may never be used at any time in the restrooms or school corridors.

Students may not charge their cell phones in the classrooms, cafeterias or hallways.

EXTRACURRICULAR ACTIVITIES
Many extracurricular activities are available to Saint Barnabas students. As the needs and interests of our students change, so too will the clubs, activities and events.

FINANCES
- All tuition inquiries will be handled at the School Office by the School Bursar.
- All tuition and fees must be up to date or the student may not attend classes. Transcripts, diplomas and report cards are withheld for non-payment of financial responsibilities.
- Students may not participate in graduation and other senior activities if financial obligations have not been addressed.
- The Registration and General Fees are non-refundable and non-transferable.
- Only cash or money orders will be accepted after June 1 for the current year’s tuition.
- Families requesting financial aid must file the appropriate materials with Smart Aid by the due date. Failure to reapply by the appropriate time each year can result in the loss of aid for the following school year. Students who receive financial aid must maintain good academic, behavior and attendance requirements as determined by the school administration. Students and parents/guardians who receive financial aid must also participate in school-designated program(s). Failure to maintain the above criteria can result in the loss of aid for the current school year and future years.

FIGHTING
A student who causes or participates in a physical fight either in school or on her way to or from school is subject to disciplinary action, including immediate suspension and possible expulsion. Both parents/guardians and the student involved must attend a conference with the School Administration to determine the final action. Students may be required to attend anger management sessions in order to continue at Saint Barnabas.

HARASSMENT/BULLYING
Harassment/Bullying is a serious issue and is not tolerated at Saint Barnabas High School. Any student who uses physical and/or verbal methods or technology to annoy, tease, embarrass or intimidate another student on a regular basis is deemed to be engaging in behavior considered to be harassment/bullying. Any student found to be complicit of harassment/bullying will meet with the School Administration who will determine the next course of action. Parents/Guardians may be required to attend a meeting with the School Administration. The student could be
subject to disciplinary action including possible suspension and possible expulsion.

Harassment/bullying that takes place between students outside of school affects behavior in school. This includes internet bullying. Any student who causes another student to feel unsafe in school or on the way to/from school will be dealt with in the same manner outlined above.

HEALTH FORMS
All new students must have a completed Medical Report Form before admission to class. New York State and City laws require that a TB test and an immunization record be included on this medical form. The Student ID Cards are school identification and must be surrendered upon cessation of the student’s enrollment at Saint Barnabas High School.
EMERGENCY DRILLS
Emergency drills are important, and are serious exercises, which may save lives. There are specific rules for each emergency drill. All students are expected to act in accordance with those rules. Information about emergency drills is posted near the door in each classroom. At times, special instructions are announced over the PA system.

GENERAL RULES FOR EMERGENCY DRILLS
- Students will close windows. The last student out of the room will turn off all the lights and close the classroom door.
- In silence, students will follow designated exit instructions, keep in single file, walk not run, and proceed to a distance approximately 100 feet from the point of exit, turn and await the signal to return to class.
- Each teacher will accompany the class to the designated area to wait for the signal to return. The teacher will take attendance once the group has reached its proper distance from the building.
- When the all-clear is sounded, everyone will return to their classrooms in the same orderly fashion, maintaining silence, until an intercom announcement signals the end of the drill.

NOTE: All students are expected to act accordingly. The entire building must be evacuated during an emergency drill.

Lockdown drills are practiced in the event an intruder should enter the school building. Via a pre-arranged code, students and faculty are alerted to seek positions of safety throughout the building.

FIELD TRIPS
Educational field trips are planned in advance and approved by the School Administration. Students are required to take home a Field Trip Permission Form that must be signed by a parent/guardian and returned to the teacher.

IMPORTANT: Parental permission forms are required for each school field trip. If a student forgets to bring the form home, a parent/guardian must copy the proper form and fill in the appropriate date and place. No other form or note will be acceptable.

Students who fail to submit a proper form will not be allowed to participate in the field trip. Telephone calls will not be accepted in place of the proper form.

The trip registration and payment are handled through the subject teacher or in the homeroom. The type of trip determines the dress code. Students must always be dressed and behave appropriately- no ripped jeans are allowed. Proper attire and behavior are expected of all.
Field trips are privileges afforded to students. No student has an absolute right to a field trip. Students can be denied participation, if they fail to meet academic or discipline requirements. Students who receive financial aid are ineligible to participate in long-term school trips over school vacation periods.

All students must provide the necessary proof of immunizations required by New York in order to attend classes. Students may be kept from attending classes, sports and physical education if they do not have the appropriate medical information on file.

A student may not be sent home without parental approval and no student may drive when excused for medical reasons unless parental consent has been given. Graffiti and other damage to any part of the school premises are serious violations, subject to disciplinary action, including expulsion. Students are financially liable for all accidental or deliberate damage they may cause.

**SENIOR PRIVILEGES**

Senior privileges are given to the graduating class by the School Administration in recognition of their Senior class status. Misuse will result in forfeiting Senior privileges.

**SERVICE PROGRAM**

Service builds character, fosters a heightened awareness of the need for charity in our world and establishes in the soul of a teenager the resolution to help build up the kingdom of God. The Saint Barnabas High School Service program is an integral part of each student’s education and faith formation. It is also a requirement for graduation.

For these reasons, each student at Saint Barnabas High School will perform at least fifteen hours of community service during each school year. In order to graduate from Saint Barnabas High School, a student must complete a total of 60 hours of community service.

A student cannot be paid or compensated for service hours and must provide service to a non-profit organization. A non-profit organization (NPO) is an organization or charity that operates for the good of the community, not to generate a profit. Examples of this are parishes, churches, schools, nursing homes, hospitals, libraries, community gardens, soup or pantry kitchens, community centers, after school programs, etc.

Service does not include babysitting for family, helping out at home or at a parent’s place of business – even if there is no monetary compensation. In addition to participation with a non-profit organization, participation in various walks for charitable organizations will be considered acceptable service.

A list of some NPO organizations will be given to each student at the beginning of the school year. This list will offer some suggestions as to where students can serve. A log sheet will also be given to each student. The student must keep a record of where she serves and what she does. This paper must be handed in to the Service Director on the date designated in the school calendar.

Please note that each student is responsible for seeking the approval of the Community Service Director before she begins a service project. If a student serves at an unapproved organization or at home, the hours will not count.

Students who fail to complete all their hours for a given year should be aware of the following consequences:

- They will have their religion grade for the fourth quarter substantially reduced by five points for that marking period.
• Service hours missing from one year will be carried over into the following year. In other words, students will be responsible for making up the hours missing from the previous year.

It is our hope that each student will realize that service is a lifelong commitment, and that she will want to continue to be of service to others in order to make the world a better place.

**SMOKING**
Students represent Saint Barnabas High School when in school uniform. Saint Barnabas High School is a smoke-free school in accordance with the Administrative Code of the City of New York. Violations may result in disciplinary action.

**SUSPENSION**

If a student is suspended from school for disciplinary reasons, all in-school classwork (tests, quizzes, assignments, etc.) may not be accredited.

There should be no smoking, pushing, loud discussions, yelling or foul language. If trouble is

ARCHDIOCESAN POLICY STATEMENT

Once students have met the necessary admission requirements and have been accepted into St. Barnabas High School, the school warmly welcomes these students for the coming school year and will strive to provide them with a solid Catholic spiritual and academic education in a supportive learning environment. Students and parents must always be mindful that attendance at St. Barnabas High School is by invitation. It is not a “right” because this is a private school. Admission to and continued enrollment in this school include responsibilities regarding conduct, both inside and outside the classroom and school, and students are expected to conduct themselves in such a manner as to be a credit both to themselves and to their school.

In order to protect its standards of scholarship, discipline and character, Saint Barnabas High School reserves the right, and students and parents or guardians concede to the school the right to require the withdrawal of any student at any time, for any reason deemed sufficient at the sole discretion of the school and its administrators. By the student’s attendance at the school, a student and his or her parents or guardians acknowledge the important obligations and restrictions contained in this handbook and agree to be bound by the terms of this handbook. Students attending Saint Barnabas High School relinquish certain rights they might otherwise be entitled to if they were attending a public school. For example, a student’s freedom of speech is limited in many important respects here at our school. Speech, either written or oral, contrary to the Roman Catholic faith, the teachings of the Church or the directives of the local Bishop or Ordinary is prohibited, as is any other speech which is contrary or disruptive to the philosophy and purposes of our school.

Another important right all students at Saint Barnabas High School surrender involves searches and seizures. School Administrators may search a student’s person and belongings if there is a reasonable belief, in the sole opinion of the School Administrator, that contraband, illegal substances or inappropriate objects are being concealed. Any unauthorized items found may be seized. Additionally, student desks and lockers, which are at all times under the joint control of the school and the student to whom the desk or locker has been assigned, may be searched by School Administrators at any time. Students should have absolutely no expectation of privacy with regard to any item in their desks or lockers.

Another important right that a student and her parents or guardians relinquish when they decide to have a student attend this school is the right to sue the school, the school’s Board of Trustees, the parish or the Archdiocese of New York and/or any individuals acting on behalf of the school, such as the school administrators, teachers, staff or any of their agents for any matter relating to academic or disciplinary decisions or other matters covered within this handbook. Each student and her parents or guardians, by their acceptance at Saint Barnabas High School agree to and
accept the school’s rule and policy that students, parents and guardians may not bring any civil action in any local, state or federal court or in any administrative agency or body to challenge any school decision on academic or disciplinary matters, including any decision relating to the rules, regulations, procedures or programs covered within this handbook. Students and parents or guardians agree that any challenge to any school academic or disciplinary action or relating to the rules, regulations, procedures or programs covered in this handbook may only be challenged or appealed within the hierarchy of the school, subject to the limitations contained in this handbook. This includes any decision relating to a student’s enrollment at the school or termination of that enrollment.

While any student and her parents or guardians are of course free to consult with legal counsel regarding any school decision taken with respect to a student, the school emphasizes that students and parents or guardians are not permitted to have legal counsel present during any meetings with School Administrators. School Administrators are not obligated to meet with legal counsel at any time.

There are several grounds for disciplinary action or expulsion set forth in the “Discipline” section of this handbook. It should be noted, however, that any listing of prohibited conduct is set forth by way of example only and to provide guidance to the student and her parents or guardians. It is not meant to be an exhaustive listing of improper conduct or resultant disciplinary action.

In the exercise of their educational responsibilities, the Administration and staff of Saint Barnabas High School function in loco parentis in their contact with students. Should a situation arise where parental attitude or actions interfere with or compromise the ability of the school to perform its educational mission effectively, the parent will be asked to remove the student from the school.
